Welcome to your Open Day

Students really are at the heart of everything we do. At Newcastle you'll get a world-class education along with an outstanding student experience. Start your journey of self-discovery, be inspired to think differently and develop the confidence to pursue your passions.

At our Open Day you'll have the opportunity to meet current students to get a real insight into what it's like to study here, find out more about the courses you're interested in and meet staff from those areas.

You can also explore our beautiful city-centre campus and see our accommodation and other facilities.

Most importantly, you'll find out whether Newcastle is somewhere you could see yourself living and studying.

Welcome to our campus – we hope you enjoy your day with us.

Don't forget to check-in!

There's plenty of places to register on campus. On the morning of the event we will send you a QR code, just come along to our Welcome Desk, Student Experience Hub or speak to a staff guide (look out for the turquoise t-shirts) to check-in. Alternatively, you can check-in yourself via a text message you'll also receive on the day.

Welcome and arrival

Visit our Student Experience Hub (map ref 4) and meet our student life teams including accommodation, sport, student finance and many others. You can also pick up your copy of the programme and map, and chat to our friendly team if you have any questions about the day.

Explore your campus

Campus tours

Go on a guided tour of the campus led by one of our student guides.

Collect your ticket from the King's Gate building, Level 2 (map ref 1). Tours run every 30 minutes from 9.30–3.30 and take approximately 30–45 minutes.

Explore on your own

If you don't have time for a guided tour, here are some of the main buildings and areas that you might see when you're walking to different activities.

1. King's Gate

This may be the first building you see when you arrive, and where you will find our Welcome Desk and Campus tours helpdesk. It's home to our student support services such as Accommodation and Student Wellbeing. Next to King's Gate you'll find The Grand, a popular coffee stop on campus.

2. Students' Union

The Grade II listed Students' Union building is the social hub of campus. You'll find everything from societies to the student newspaper, a Co-op shop and places to eat here, including a Subway and Domino's Pizza. Tours of the building run throughout the day, or pop in and look around at your leisure.

3. Northern Stage

Opposite the Students' Union and across the lawn you'll see Northern Stage, the largest producing theatre company in the North East.

4. The Arches

The Arches is one of the most iconic parts of campus. The tower was built in 1911 in honour of King Edward VII. Look closely and you might spot his statue which still looks out over campus.

5. The Old Quadrangle

Through the Arches you'll find one of the greenest parts of our campus – the Old Quadrangle. In 1947 the Quad was turned into a formal garden dedicated to Newcastle University staff and students who died in the two World Wars. To your left is the Armstrong Building and inside you'll find King's Hall, where graduation ceremonies are held.

6. Student Forum

The Student Forum is a relaxing outdoor social space at the heart of the campus. Sit down and soak up the atmosphere under the watchful gaze of Newcastle University graduate Joseph Hillier's sculptures. Head through the Jubilee Arches and see the Martin Luther King statue, which was commissioned to mark the 50th anniversary of his visit to accept an honorary degree from Newcastle.

7. The Hatton Gallery

To the right of the Arches on King's Road you'll see the Hatton Gallery, which houses a diverse range of exhibitions and recently underwent a multi-million pound redevelopment. It also provides a platform for our Fine Art students to exhibit their work. Pop in to see the latest exhibitions.

8. Sports Centre

Sport is big at Newcastle – we're a top 10 University for sport (British Universities and Colleges rankings). We've invested £32 million in our facilities to provide you with more opportunities to take part in sport and exercise.

9. Great North Museum: Hancock

The Great North Museum: Hancock includes a range of fascinating exhibitions, from a scale replica T-Rex skeleton to mummies from Ancient Egypt. Entry is free and the University is a leading partner in the museum.

10. Philip Robinson Library

Our main University library is open 24 hours a day, seven days a week during term time, and there's also a café inside if you're ready for a break.

Where to eat

There are lots of places on campus where you can stop for a drink or a bite to eat at the Open Day. Some of the places are highlighted here and you'll find others on page 26 of this programme, and on our main University map.
